Children's Church Q & As

Who is Israel's true King? Yahweh is Israel's true king. Who were the first leaders chosen by God to lead Israel? God gave the prophet, Moses, the warrior, Joshua and the many judges. What did God require of the king? God required that the king be obedient or God would oppose him. What gift did God give the king to help him be obedient? God gave the king a different heart and the anointing of his Spirit. How did the king do what was evil in God's sight? The king responded to God's promise with rebellion and disobedience.
